

# Can You Meet the New MIPS Requirements?

The new **KHS analytics** dashboards can ease the transition to MIPS reporting by providing physicians quick and easy access to their patients' aggregated data from the health information exchange presented through meaningful analysis.

To set up your analytics  
dashboard demonstration  
call Susan Penka at  
800.435.2104  
or email to  
spenka@kammco.com
